

I have been listening to the K-love radio station daily for 1+ years now and it has had a very positive impact on my life. It is very uplifting to hear the contemporary Christian music and very encouraging broadcasts. Also, many people in our community listen to K-love daily and it would surely have a negative effect if K-LOVE was displaced by an LPFM broadcaster providing other programming. K-LOVE supports wholesome values and has a positive and encouraging impact on communities across America. The service provided by K-LOVE is in the public interest because it provides ongoing messages of hope & encouragement to it's listeners, unlike the majority of other radio stations on the air. After many years I have finally found a wonderful Christian station to listen to and feel it would be a tragedy if it were not available any longer. Please do not replace K-LOVE with an LPFM broadcaster!
